

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant: Charles E. Turnbough
Serial No.: 09/229,751
Filed January 14, 1999
For: PEPTIDE LIGANDS THAT BIND TO SURFACES OF BACTERIAL SPORES

DECLARATION

Honorable Commissioner for Patents
Patent and Trademark Office
Washington, D.C. 20231

Sir:

I, Glenna Hendricks, the registered patent attorney responsible for filing the original application cited above, provide herewith a copy of the sequences filed in the application along with a listing of the sequence information and a diskette with the same sequence data. I hereby declare that the sequences and other material on the diskette are the same as those in the application as filed and that no new matter has been added, except for the renumbering of the sequences.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 101 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully Submitted;

Glenna Hendricks, Reg. No. 32,535
